“ *I worked with Dean for years. He is actually the one who hired me at Graybar back in 1977. I have very fond memories of Dean and think of him often. My deepest sympathies to the family.*

“ *Mickey, You and your sons & grandchildren are in our thoughts and prayers. Mickey, you and the boys will have stars in your crowns for the excellent love and care that was given to Dino during his long illness. Dino loved your family. Take care and just always remember you have lots of caring friends for your love and support.*
