“ *We had some good times down at the packing company. Remember the first time that he was splitting hogs. Pretty cocky back then. He was a hard worker. Sorry to lose a friend. May God give you strength, Betty.*

“ *Havrey taught me to shoe horses and it was truely an experience. We roped and I remember his old horse Jessie. Harvey was left handed and when we left the box it was a sight. Back then the team ropers came out of the same box and Harvey would put Jessie in backwards and I would be facing out. I will miss you, but the stories live on. Clyde Caughman*

“ There are truly no words. We will miss him and I know Betty you will be lost. But oh what a time he had here! So many memories I can not begin to pick one. All the times we were together at least 4 nights aweek. And never knew at that time we were having some of the best times of our life. But as christians we have that assurance we will all be together one sweet day. We Love you Betty! And we are a phone call away. Mark and Connie

“ Mrs. Pettit and Family,
I am the daughter of Margie Hoyt (deceased). Harvey leased her land there at St. Elizabeth. Harvey was a wonderful and kind man. When dad died and he leased the land he always made sure that mom was okay and that she did not need anything. I got to visit with him a few times when I was there and he was such a kind and honorable person. He is with the Lord. God Bless.
