“ *I'm so sorry that I am out of the state and will be unable to attend Aunt Hazel's funeral. I always admired her faithfulness, and although did not get to be around her a great deal after I was grown she was always glad to see me and I her. I know that she is in Heaven with all of her siblings. I also know that she was grateful for the help and caring of her "baby sister" Kathryn.*

Love to all,

Francis

“ *In visiting my mother at Riverview Healthcare, I became acquainted with Mrs Kay. We talked often as she waited for the precious couple who faithfully came and took her to Church. Many times she would tell me how blessed she was and what a blessing that couple were to her.*

Mrs Kay's love and faith in her God was and will always be a true inspiration for me.

I will miss her greatly but find comfort in knowing what a godly woman she was and that I know where she is and will be for eternity.

God Bless.

“ *Ms.Hazel will be missed by all who knew her. She was an outstanding Christian and was deeply loved. Comfort can come by knowing she is finally with her beloved - Jesse.*

Even though we hate to see her go, we are comforted by the revelation that heaven TRULY has a new angel. All the love, laughter and wonderful stories she has shared with us in the past years are now being shared in the presence of Jesus.

Our love and prayers are with the family. Although we were not her "blood" relatives in the worldly sense, we are her relatives "by the blood" of Jesus Christ. She was our "Angel".
