“ *May God comfort you, the Family.*

Though you cannot always see the bird singing, if you listen with your heart, you can always hear his song.

Though the ones we love may leave life as we know it, in our memory, the love we knew will always carry on.

“ The summer's of 94 and 95 were very special to me. My dad's sister's Aunt Melda, Aunt Hazel, and Aunt Dot would come to Bigelow and get me from VBS to come stay with them. Shopping trips to the mall, getting tucked in at night by my sweet Aunt, memories she shared with me about my father and things about me that reminded her of my grandmother, are all fond memories that I will cherish always. She left a very special place in my heart, her love and warmth made me feel very special. Love, Dana
