“ *I will always remember Miss Chance.....she would come to the school in Perry. She was so wonderful, I too remember her flannel board. She brought the bible to life in her teaching. We would wait in anticipation for her to show up and someone would be appointed each time to go out and help her bring her stuff in. (everyone hoped each time it would be them) She was just a wonderful person. I am 40 yrs old now and to this day remember her like it was yesterday. We all loved her and everyone thought she was just Heaven sent. I know their is a big celebration going on in Heaven with her there. Such a special lady.*

“ *I will always remember Miss Helen's Bible Stories, taught with a flannel Board, at Wonderview School in the 50's and the songs we sang. I even got to go to Bible camp one year- the only time in my life- with her. She touched my life as I'm sure she did lots of others. She truly will have a wonderful crown in Heaven.*
