“ *In one of mine and Helen's many conversations we made each other a promise that if she made it to heaven first she would be waiting on me with the golf cart all gased up and if I made it before her I would have it ready togo, I'm quiet sure she is waiting for me as well as all of her old golf buddies to play another round. She was strong and brave in her own right and will be missed every day.*

“ *This sweet lady holds such a special place in my heart! She was a precious little fireball that will be greatly missed! The time that I was blessed with to get to spend with her will always be cherished! Her sense of humor and the fun that she brought to my life will never be forgotten! One of the last times we spoke, I told her to save me a place in heaven if she beats me there.*

“ *Helen was a good friend who encouraged others to join with her - for golf, for church, and for fun. When she became active in church, she invited friends to her sunday School class, her church, and the women's retreat, which she helped organize. In 2014 she received a Mission Recognition for her service. She will be missed.*

“ I just wish I had the chance to make her one more chocolate sheet cake. She really loved those things - would freeze them to make them last. She bought her own cookie sheet (to my specifications) so I wouldn't cut it and she could freeze it whole. lol

“ Everyone, I was fortunate to meet this lady twice in my lifetime. I will say that she was a whirlwind of life itself. Funny, kind and full of spirit, she was a wonderful person. God Bless her in her new position with our Lord!
