“ *Precious Aunt Hel, thats what my girls called her. She was the very first babysitter they ever had. She loved my girls as if they were her own. She even potty trained the youngest at 15 months old (Alisha.) She made sure the oldest (Misty) hair was neatly brushed and was safely on the bus each morning. When my money was short she wouldn,t take a penny. I will always remember her with great love. I know she has a sprcial place in heaven.*

“ *She never had children of her own, but she raised and helped raise a whole bunch of us. I have many wonderful memories of Hannar and Pappy during my growing up years. I think of her each time I pick up a crochet hook. She will be greatly missed by many, including me.*
