“ *Thank you Lord for letting us know and be related to Muriel Moore. She was a wonderful person and the greatest Aunt ever. Growing up, I always enjoyed going to see Uncle Johnny and Aunt Muriel and of course, Shelia and Sherry. What a wonderful family. I will never forget her and never stop loving her. I look forward to seeing her with Jesus some day. Aunt Muriel, may you rest in peace and give my Dad and Janelta a big hug for us.*

We love You, Benny and Debbie Moore
