“ MY MEMORIES OF HELEN JEAN

*The Edward's family and the Webb family were neighbors and Church members of a little church in Morrilton when I was a little girl. Helen Jean and Arnold were close to my age. On many occasions, Helen Jean would invite my sister, Mary Lou and me to her house for fried chicken dinners.*

*Our family moved to Mayflower and on to California in 1951. All of these many years ago I have remembered Helen Jean as Kind, Loving and Giving, with a sweet personality.*
