“ Mr. Brents was one of my favorite people ever and I enjoyed the fact the he was one of my biggest fans! Sande and I have worked together twenty plus years, and I have enjoyed a fun cordial relationship with her parents for two decades, even visiting their farm years ago and being chased by cows! When Mrs. Brents became ill and Mr. Brents brought her here to our hospital for care, I was priveleged to spend time with them both, Dot and Herman. Mr. Brents was always a man of great stories and stature, he loved to take Sande to lunch at Subway when he would come to town for doctor appointments. He loved his little girl. Sande you are an incredible daughter. Your sister and brothers know how special you are as the youngest and the "medical" one of the bunch. Now your parents are at peace together again! We love you so much, Sande, Kenny, Brent, Anna, Cara and your brothers and sister, neices and nephews. He was a great man. Your pain and loss today are equally as great, I am sure.

Love,
Dana

“ I am so sorry, I just heard of my uncle's passing. I wish I had known sooner. My thoughts go out to my cousins; Keith, Kenneth, Cheri and Sande. I know how hard it will be at this time of year. I am so thankful that I was able to see him, and have lunch with him when I was in town last time for Lyndell's funeral.
