“ *I didn't get much of an opportunity to know Grandma as we only met twice over the years due to distance. However I thoroughly enjoyed their visits when they would come out to CA and visit us kids. Wished I had the chance to have known her and Grandpa better.*

“ *So sad to hear of this loss. Grandma Jones was a special person in my life, and I loved to hear about the days that "papa" cared for her and all her siblings. She will be greatly missed.*
