“ *Mrs. Foshee was always so kind to our family. I've known her since I was a little girl chasing after Angie. And listening to Allen and Daddy laughing and carrying on. I have many memories watching her run the old style washing machine and cooking in the kitchen. I worked with her as I became an adult at Morrilton Plastics, before I moved away.*

*I am so sorry to all of you. She was a very good woman.*

*Much love and respect,*

“ *I typed Mrs. Foshee's name in the fair news for the Headlight newspaper for many years and always wanted to meet such a talented lady. Angie, your name was there, also. I was never good at canning but Mrs. Foshee was the best with all her awards. God bless the family.*

“ *Heaven gained a wonderful gracious lady. We have fond memories of coming to visit mom and Jim for the first time and learning about chocolate gravy. We had the biggest breakfast ever that day and put chocolate gravy on the biscuits. Dessert for breakfast with precious southern hospitality. May God bless and comfort all of you.*
