“ *She taught me how to write in cursive. I can see her in her Poloroid sunglasses watching us on our recess. She was always honest and fair with her students. Love always and forever.*

“ *Pam and Susan, I can't remember a time when you and your Mom and Dad have not been a part of my memories. My very first memories are of playing with you and being with your Mom and Dad in our duplex. You have always been like family and I feel like my family is one person smaller. You and your families are in my thoughts and prayers.*

“ I remember when I was younger my mom, Sue Williams enjoyed Mrs. Housley's company and good nature. She was always kind to me growing up. When I think of my mother I usually think of the Mrs. Housley. Heaven rejoices in bringing her home.

“ David and I would like to express our condolences to Susan and the family in the passing of your mother. I remember how very sweet she was when I visited her. She had such a beautiful smile. I well know how good you and Pam were to visit her. I treasure these memories now that Mother has been gone for over three years. May God bless you as you savor the sweet memories of her good life.

“ They were the best, Lindell will always be a part of us all at the home that knew him. That smile and laugh was the best. May God always be with you both, it is hard to have this happen at any time, but she is in heaven and I believe that Genetta and all the others that have gone on is singing in a chore with Lindell leading it. God be with you.
