“ Irene taught me at Dodd Elementary in the 73-74 school year. I was in the 5th grade. She was the finest teacher that I ever had. We had a slumber party at her house. I have always had such fond memories of her, and will always be appreciative of her positive influence on my life. Stan worked at the school that year. My condolences to the entire family. She lived a long productive life. I was blessed to have known her.

“ Irene had such a loving and warm heart. Many times she would greet me with a big big hug and kiss and whisper to me the love and encouragement she would share with me from the Lord. My life has been touched and blessed by her love and friendship over the years. I will really miss her so much! Kathy K.
