“ When I was in college in Oklahoma, Gene Seay would pick me up on his way from Texas to Iva's for Thanksgiving. She and her family were always so good to me, and I am so thankful that she allowed me to be included in their family gatherings. I will always remember Iva's kindness and love.

“ I remember Sister Bingham from when I was kid. I would see her at CA Rallies & section 6 meetings. Recently I fondly remember her eating with Kim at Sticks. She loved her family very much. I believe she was precious, Godly & a faithful servant of God.

“ One of my favorite memories of Iva was her singing at church. She had a beautiful voice and she would sing Job's God is True . We also had so many good times when we worked at Wal-Mart together. And other than her love for God she loves her family. To all of you I want to say cherish your memories of every day with her and know she is where she lives her life to be. With our Lord and Savior Jesus Christ. Sending love and prayers to all of you. Jimmy and Vernell Middleton
