“ *Dear Robertson Family,
On behalf of my family I would like to extend condolences. I knew Iva Lee since 1997 and found her to be one of the sweetest people I have ever met. She was always a joy to visit with and to see how much she really cared for people. I still remember how good the 3 dozen cookies were that she made for the guys at the office..(which ended up being only me). Iva Lee accomplished more in her life than most people will ever dream. I will miss her.*
