“ I always thought highly of James. He was real. The same no matter where you saw him. A prime example of how a friend and neighbor should be,
I wish I had just a 10th of the knowledge he had on different things. History, mechanics, whatever.
My thoughts and prayers are with his family as you all go thru the next few days, months, and years. May Hod hold you all just a little closer and comfort you as only He can.

“ Scarla, Becky and James,

It broke my heart when I heard about your dad. I only have wonderful memories of him and Aunt Teen. They always made us feel so welcome in their home when we would come down during our Dad's vacation in the summertime. He was so kind and always joked with us kids. I know this will be a difficult time for you all - please know that you are in my thoughts and prayers. I only find comfort knowing that he is in heaven with Aunt Teen and Tina along with the many other family members that have have gone on. Take care.

Love,
