“ I guess what I remember most about James Bratton was his smile and his funny laugh. The time I got to share with my cousin was when all of us got together for family reunions and he was such a pleasure to be around. Mom thought a lot of him and she talked about him months before she passed. I know James spirit is there with his family and love ones. This life is very short even though James lived to be 77 that's not very long in God's eyes. My prayers are with the family. Love all of you! Bobbie
