“ Lanette I want to express my deep sympathy to you and your family. Knowing the fine man that James was I can only imagine how great a husband and father he was. James was way more than an employee. He was the truest friend you could ever ask for. He was such a joy to be around. He took me to his deer camp when I was a youngster. I have many great memories of deer camp with James, Joe and DC. James was a fabulous employee. He did the finest work and was great in helping teach younger workers. James was the best auto body repairman ever and a great friend to the Koch family.
