“ *So sorry to read about Uncle Noel. I am sure he was happy spending his last year close to his family. Daddy loved him so much as did we all and will be so upset when told..thankfully he won't remember after 30 minutes so the pain will be short lived. Only a few Kellar's left now to tell us all the stories about Springfield,Mallettown, and the old places and people we never knew..I have some pixs of your dad if you would like to see him at the last reunion he and I both attended..Let me know via email and I will get them to you asap..please keep in touch.gin*
