“ *He was the most gracious gentleman and will be missed by all who knew him. I'm so thankful for this great friend and neighbor...and I'll miss his calls every time there was a storm, making sure I was OK. And especially his way of just being a true friend. There is a little hole in the world where Jim stood! And how tall in integrity he stood!*

“ *Dear Family,*

I extend my deepest sadness and sorrow for the loss of your loved one. These times are so difficult. I met James several times through the family of Georgia and James and Beth Gulley when she and my mom, Eileen Stinson, would have fun going to country shows and other events. He often joined in with them going to the music shows and they so enjoyed telling his stories.

Your family is in my prayers, May God bless you all.

“ To Paul and the rest of the family: Bud and I both thought a lot of James. He was a sweetheart and always caring about others. We will remember him fondly, always. Our thoughts and prayers are with you as you learn to live without his loving presence in your lives. May God watch over you kindly in the days ahead.

I'm so sorry to hear of Jame's passing. He was a very special person and much loved by my family. I'll never forget how he sat with us during my dad's last days. RIP.

“ James was a good friend over the past years. He was the lead person during the establishment of The Civic Improvement Association of Perry Arkansas, Inc. and did most of the work. He was the most patriotic man I have ever known. May God bless you all and hold you close during this time of grief.
