“ *To all the people that knew my father I would like to thank them for
him for their compassion towards our family at this time. We will all
miss him terribly. In my heart I know my father would want all of u to
know he loves u too. He is in heaven now in comfort and peace
where we all want to be someday. During his life on earth he
touched many peoples lives and that touch will live on whether it be
his smile, his laughter, his tremendous compassion or even his
suffering he is a tremendous blessing to all of us and please take
the gift he gave all of us as a memorial to him and use it in your
lives as a remembrance to him. God Bless Elizabeth Mobley
