“ We shared many good times with Judy, Jimmy, and their boys. We were young couples with young children and spent a lot of time together when he worked for his Uncle Bob Powell in Bald Knob. One of the most memorable was our trip to Miami when Jimmy caught his famous great Blue Marlin. It was a record catch in that area. I remember another fishing trip we took, Florida or Texas coast when we caught amberjack and pompano and saved them in the plastic wastebasket covered with ice to cook later. We forgot about them. The stink reminded us. I don't remember what we did with them but am pretty sure we didn't keep them in the rooms after that. This family will always have a place in our hearts.
