“ My heart goes out to all the family Ive known James for about 10 yrs he was kinda like a dad to me and my Grandmother Cloma Townsell thought so very much of James, before she died he would take her shopping If I couldnt and he was so nice to her they were great friend's ,she used to say "there aren't many men that would take a 94 year old woman to town and be so patient with them" My family loved James very much and he will be missed so very much. May He Rest In Peace
