“ *David and I were friends in high school & church. I moved away many years ago but my parents & younger brother stayed in Morrilton. David kept in contact with my parents and they were always very fond of him, because he took the time to check on them. How wonderful was that! My parents passed away in the last 5 years, in there early 90's and my younger brother, Jim , also his friend, also passed away in July. I am sure my family and many other of his friends were there to welcome David Home!
God bless,
