“ *James and Virginia became my friend about six years ago. They treated me like a family member. I will truly miss them both and my prayers are for Patsy and Michael and their families to find peace and comfort in the great life they lived and the legacy they left behind.*

“ *Uncle Murl will be greatly missed. He always had such a wonderful sense of humor and loved to tease the children. My son always loved the one he told about working in a hardware store and selling ___? ___, and paint, and brushes. He was also a very caring person. He and Aunt Virginia made many a trip on the weekend to visit my dad when he was ill. I know it was hard on them after a long week of work. It was very much appreciated by our family. I'm so sorry for your lost, Patsy, Michael, and all the family.*
