“ *Brad was one of the kindest souls that I have known in my life and my heart will miss him always. He sang at the funerals for both my parents, who loved him dearly, and made the saddest days off my life a little bit better with his music and song. His smile lit up the room! and I will treasure his friendship for the rest of my days. Sing with the Angels Brad, show them how it's done Dan'!!*

“ Brad was the sweetest, kindest soul. A good listener. Someone who took you in without any judgments. He always was concerned and made sure my sons and I were doing well. I just loved his stories, and boy did he have many good ones! It's so sad to know he's not here any more, but now he's with his maker and pain free. I love you Brad, you will be greatly missed my dear friend. RIP.
