“ We shared many good times when I worked at CHDC, he was not only my cousin but a friend, I could vent to him and he would talk me into a better option, I would bring him a pecan pie for his birthday and he would hide it from the ladies in the office, he would say ,Baby if they know it's here I wouldn't get a piece of my pie, we laughed about family things but we Never discussed politics. I'll miss him but I cherish our times together

“ Jim was the unsung Hero of the Conway Internationals Soccer team, who were the Best team in the City for many years. So many Memories stem from these years, with the Original Boys growing into successful men who now have families of their own. To be a part of this has been an honor and to the list of Honors, I add the Name of James Calvin Walker, whose two 'boys' (have you seen the size of the 'little' one) Caleb and Cape, took over from Justin Smith and Mike Fleisher and became two defenders along with my son Chris in Goal, who frustrated many adversaries for some years. They had along with their late Father been instrumental for this success and I thank them for their service to our Team. My heart felt thanks to you all.....The ancient Englishman who had the luck to become your Coach.

“ *Brenda & Jim's family, we are so sad to hear of Jim's passing. Sorry we didn't know he was ill. We're reminiscing about the fun times we had as children. Jim was the youngest of all. Our mothers were always close as sisters, so we saw a lot of each other. There are many memories there that we'll always have.*
