“ *I was at my Little Brother James's Memorial today. He was loved by so many. We will miss him but will keep the wonderful memories in our hear forever. We had a great family that got together many times at Christmas in Galveston for a reunion. We all loved to go to Mom and Herbs in the summer as well to fish with thier Grandma, who was one of the greatest fishing buddies anyone could have. Some wonderful memories. James was loved more than he knew. He had suffered a long time. May you rest in peace my little Brother. Love you forever. Your Sis Evelyn. I am the last one left, I will miss all of you.*
