“ Dear Phyllis,  
I am so sorry to hear of the passing of James. I did not know about his death until today when I saw your thank you note in the paper. Ever since meeting him when I helped take care of his sweet mother at the hospital so many years ago, I have been honored to call him a friend. I'll always remember that cheerful smile. May God bless and keep you and your family as you go on without him. Always remember he is still watching over you from Heaven. Jennifer and I will be praying for you.  
All our love,  
Loren
