“ *Jana and I grew up playing together while our Mom's visited and drank coffee. I remember her always calling me on the phone. I remember her showing kindness to others and how she always enjoyed life and wanted to visit and show love for others. She was a special gift to all who were fortunate enough to know her. I know she is busy in Heaven catching up with many loved ones. I can only imagine the family and friends that were waiting to greet her! She'll be missed but never forgotten.* ”
