“ *I loved spending time at MeMaw Mallet's with Jana around. She was a little older than Kim & me who are Wynn's age, but she had fun ideas for those long summer days.*

“ *I really enjoyed working with Jana. She was very kind and helpful and "just a phone call away". I am sure she had a good laugh over some of my crazy questions sometimes! My thoughts and prayers are with her friends and family during this difficult time.*
