“ Dear Friends,

*My heart aches at your loss. My minds eye takes me back to the  
60's and the many times that Janet was a part of our lives. The  
years of living across the street, the laughter, and the joy. Janet will  
never be forgotten by those who knew and loved her. May God  
bless and keep you always.*

“ May God be with each and every one of you during this time. It  
seems like just yesterday that I had Janet in class. She was a  
precious person and will be missed by not just her family but by  
many others outside her family. I know that you must be very proud  
of her accomplishments. Sincerely, James Anderson
