“ *With sympathy to the entire family! I knew Janice Kenneth and their Dad. I am same age as Janice. Their Dad and my dad (Huie Rainbolt) were best of friends back in early 1940's. David was 5 years older. Huie died in 1948 at 34 years old.. I saw David in town every day back in late 50's practically every day on my town paper route and talked to him often. It was nice knowing the Savage family.*
