“ *Jan was the sweetest person I ever knew. She was there for support when you needed someone to talk too. I have known Jan from the 1st time she walked into International Paper till the day she retired. She was like a mother to so many people that she worked with and she will be truly missed. I have been blessed to have known an angel like her. I love you Jan!! :0)*

“ *My prayers are with all of the family at this time of loss of a great woman. I loved Jan like my own mother, and I always called her my "G-Ma". I have known Jan for years and she was really special to me and in my heart. I truly enjoyed working with her and I missed her so much when she retired. I missed that funny walk that she did for me when we were playing around. She cared for my daughter like she was hers. I love her and I will really miss her. Stay strong during this time because she was a strong woman. Love you...*
