“ *Before I knew Darrell and even before I knew my husband, I knew Janice. She was in my 10th grade art class at NLRHS. She sat across the room from me but because of the way the room was set up, we sat facing each other. My first memory of her is her smiling face and her friendly energy. We did not run around together but we did have some friends in common. She was full of good hearted mischief. One example of this was at my wedding. John and I had done everything possible to prevent those 'hooligan' friends of his from "decorating" our getaway car. I thought we had sufficiently hidden the car away. Little did I know that it would be Janice who would find the car and 'prepare' it with toilet paper and shaving cream!!! It was all in good fun and now I am glad she did it because it makes me laugh. I expect Janice was a pearl of a girl to her parents especially since she was their only daughter. As a mother of two girls, I know how special girls can be. I know your family is filled with sorrow because Janice can no longer be with you for now. But she is in a place where there is no more pain and every tear has been wiped away. And one day you will see her again. I am glad that I knew Janice and that we shared a few brief moments in our lives. Darrell and Frances, God bless you for all you did for Janice. And truly only God knows how hard it must have been at times. Jesus said , "when you do this for the least of these, you do it for me". Please call me Frances if you need to talk to someone. To the whole family, you are in my prayers. Ashley and Crystal, I met you at Darrell and Frances' wedding. Your mother was so proud of you. Love to you all.*

“ Dear Mr. and Mrs. Ford and Family, Janice seemed to know true happiness long before I ever met her. I could always see her coming down the halls at school with a grin. It had to be her mothers smile and her daddy's sense of humor. My most thankful memory was when Janice appeared at our High School Reunion and our table became fun again. It has been hard on the family and I don't believe you can ever really have enough time to get prepared for loss, but I do believe she will be waiting for you and you can be with her again. My families prayers are for your strength and Gods care.

“ I went to school all the way from McRae Elementary School through North Little Rock Ole Main with Janice. She was such a good friend and although we weren't as close after school, I remember the last time I saw her was at Kroger. It was so good to see her. I'm just so grateful to God for our friendship and to know that she is no longer in pain. I do know that we will see each other again. I am thankful for her life and her love for animals. May God comfort her mom, dad and brother and her children & grandchildren during this time.

“ *I have been life-long friends with Janice's sister-in-law and brother. I had the pleasure of meeting Janice about a month ago. She was such a sweet soul and very strong in her faith. She fought her battle with dignity and faith. God decided to take her home; now she is free from pain and disease. I am so glad I had the opportunity to get to know her. She will truly be missed. God bless her family and friends. God bless you, Janice. Cheryl Mathis*

“ We were so sorry to hear the sad news of Janice. She was always such a joy while in high school and when we crossed paths through the years she was still that bubbly girl back 35 years ago! We kept up with each other through Facebook and I was able to see her wonderful work of trying to save every animal that she came across in trouble. What a fantastic person you were Janice, may you rest in peace!

“ Having Janice as a friend was precious. She was a person who cared deeply and honored her commitments. She was a woman of deep faith; she cared for animals deeply. She isn't dead in my heart. Please share my condolences with her mother, father, children and family. God is gracious and she will be there in my darkest hour speaking softly to me and encouraging me. I haven't lost a friend. I've gained a guardian angel!
