“ *Sally, I remember playing at your house, near North Side Elementary, where we planned our joint 12th birthday party, including a trip to the Rialto, and a bunking-party. I remember the huge portraits of you and Linda that hung in your mother's home. She arranged for you and I to model clothes at the J. C. Penney Store in Morrilton, one Saturday, when we were in Junior High. You are so lucky that she lived a long life. Hope to see you again, soon. Your friend, Renae Gray*

“ *Sallie & Linda Jo,*

*No one will ever be able to replace my sweet Aunt Nora. I will miss all of our many talks we had together, which always ended up with both of us laughing. She was one of a kind and I cherish all of my memories of her. She and Mom were hard to beat when it came to Mothers. I know she is smiling down on both of you and that she is so happy to be with her other family members. I will continue to keep you all in my prayers. You were both a rock through all of this and she would have been very proud of you.  
Love you both very much*

“ Granny, it has been 6 months since you have been gone. Not a hour of a day passes I don't think you. I miss our almost daily talks, I miss how you always knew just what to say, I miss telling you good news, I miss how good you always smelled, I miss hearing you say my name, most of all I miss you. You were the Rock and light of my life. I want you to know that I remember every you ever taught me. I try hard to live by your example although I fall short of it almost always. No one will ever compare to you. I'm truly grateful to have had you in my life as long as I did. I love you Granny.
