“ *My aunt was one of the most kindest, sweetest, patient, and loving people in the world. She always had a kind word for anyone she met. She helped as I grew up and after she was a role model for me. To my sweet cousins, I love you all and know the loss you are feeling. I could write a book on the memories of her and will carry them in my heart always. My prayers are with each of you and my love.*
