“ Sending our deepest condolences from California to our Arkansas family! I remember Jenny was always so sweet and kind to us when we were children and enjoyed our visits with her the few times we came back as adults. She had a beautiful smile and such a sweet spirit. God truly has called one of his precious angels home. Sending love and prayers to you all!

“ Landon, I am so sorry to hear of Jenath's passing. I have been taking care of my mother (Gladys Sams) 24/7 since her house burned in December and have been so out of touch with the community, but you and your family are in my prayers and my heart. God bless you all.

“ Dearest Landon, Karen, Kim - I am so sorry we couldn't come to the service, but our hearts and prayers were definitely with you. She was such a beautiful person. I don't remember a time she didn't have a smile on her face (or gum in her mouth). She was always so kind to me, always. That's how I picture her and always will, with a smile and a laugh and gum. You know she's in heaven - My Dad and your Mom, making the other Angels laugh. We will all be together again one day. My love to you all.
