“ *Jerry was my best friend in High School. He taught me hunting and fishing and shared his love of music. Our Senior year we had a class trip planned to go to Florida. It ended up being just me and him. Had a great time! Man could he play the guitar! He was a great friend and a good man! Thanks for so many great memories, Jerry! Rest in Peace*

“ *Prayers for the family. I met Jerry when I purchased my '46 Chevrolet truck from him in '08. He was a good man and a fine craftsman, and I've enjoyed the result of his labor on the old truck for the past 15 years.*

“ *What a shock to hear about my cousin Jerry!*

Growing up Margie was our second mother and Eddie, Jerry, David and others were a wild pack that roamed the area surrounding their homes hunting, fishing and anything else we could find to expend our energy. The younger brothers followed our “lead”.

What a wonderful debt of gratitude I owe to so many people associated with the family. The music connection with Ed and Emil and then shared with the sons was very special to many with the tradition continuing still into the future. Jerry was the “leader of the band”. I will never, ever forget Jerry lowering his head and giving that laugh of his!

Fly away Jerry! Join Dee Ett in that place of music in perfect harmony that pain can't enter. Join the rest that have gone on before you and we will be along shortly.

To all the brothers, I love you guys and hope to see you soon. Margie - you are the best! I will always cherish the time with your dad, as I'm sure Eddie did!
