“ Aunt Jerri I love you and miss you so much. I'll always cherish the time we had together, the talks we had, Thanksgiving together, staying up late to watch Christmas movies and the laughs we shared. You have a lot of family and friends here that love and miss you. It's going to be so hard for all of us without you. You'll always be in our hearts.

“ Our thoughts and prayers are with all the family. It feels unreal to think that Jerri is gone as a result of this horrible virus. I can still see her coming through the door at the clinic to take the next patient to see Dr. Buchanan. She was such a compassionate and caring person. She now is with the love of her life, Bobby. And, I bet they are line dancing up there somewhere. We pray that God holds you all in His hands and that you all find comfort and only the peace that He can give. Your mom loved you all and was always so proud of you. Prayers, John and Julia Zimmerman
