“ Dear Trish, girls and family... Keith and I are so heartbroken. Rocker was the life of any situation. He always had a comical comeback and was just always happy. He constantly talked about Trish and what she was up to and girls were his second love... first being Trisha. He will be missed but never forgotten! God bless and know that we are always here if you need us! ❤️❤️🙏🙏

“ I remember the first time I met Jerry, Jeff and I were dating , I was so nervous to meet him and Trish but they were so nice he asked what I saw in his brother and I wasn't sure really, he was certainly a red neck he laughed and said I had him figured out.He later became the most fun person to be around, he and Trish are god parents to our kids.The void he leaves in all our lives is immeasurable .

“ Jerry was always a blessing to me and my family. With his compassionate, humorous spirit he could always make you feel better and life would be better just with talking to him. He was a very willing person to help his "old Aunt" whether building a dog fence or just listening to me talk endless. I will miss him dearly. Trisha, Kelly, Carly. Jeff, Jon, Barbara and Burt we love you very much. May God's peace, grace and love sustain you in the coming days.

LOVE Aunt Jo and family.
