“ *It's been a long time since I saw Jewell but she was truly a real jewel. Her son Everett Jr. and his wife Sandra, were very close to me as a child. Over the years I have tried to stay in touch but with all the tragedies had by the Sexton's it has been most heart-breaking and it takes a while to get back any semblance of normalcy...what is normal...? probably never again normal... but at peace...perhaps. My God love and bless each of you who bear this loss and may He give you as much peace as you will allow.*
