“ I had the pleasure of working at City Hall under two different Mayors. Jim was the Chief of Police during my five year employment. He always had that calm, thoughtful, demeanor even when he was not in agreement with something. He always treated me with kindness and respect. He will be missed by so many friends and work colleagues.

“ *My Chief, My Friend! Oh all the laughs and great memories! I worked as a Dispatcher then as a Patrol Officer for Jim. I remember patrolling on the overnight shift and I'd spot him out on foot downtown and stop to make eye contact! He'd put his finger to his lip as to say Shhhhh! He was so funny and kept an eye on his Officers! I will miss him forever!*

So true, he would get out at night and walk around on foot, even though he was Chief I think he still enjoyed patrolling. He always treated me with good and I had a lot of respect for him. Sometimes I never knew his mood because he had such a good poker face. lol, he will forever be missed my so many, prayers for his family.
