“ I was very saddened to hear about Jim’s passing. I haven’t seen him in many years but the photos of him on Facebook recently showed me that he was still the same sweet guy I remembered. My thoughts are with those he has left behind. You are his legacy. Make it count. ❤️

“ I love you Jimmy Harold, we spent 8 years together, most good , some not so good, but we always remained friends and the love evolved to what we have now, and I will always have that with you!!!! You have always been the dad to my kids they didn't have, and they have always told you that!! You are so missed by us and so loved by us, that my heart is just broken from not having you in my life from time to time. I will miss you and love you till we meet again!! Rest In Peace, and give your mom a big hug from me!!!
