“ *Bob and I want to extend our deepest condolences to the family of our cousin Jimmy. Jimmy was always so sweet and fun when our family would visit Uncle Logan and Aunt Mary. He had such patience with us younger kids, he usually took us for a jeep ride around the farm which we all enjoyed. He was truly loved and admired by all of us. Our thoughts and prayers are with all the family today.*

“ I am saddened to hear about the loss of Jimmy. He made a large impact on my life. Jimmy took over the responsibility of the Dallas Terminal for JB Hunt. Jimmy was a great mentor. His easy-going style and grace were great teachings for us as future leaders.

“ Sandy I am so sorry about Jimmy. I really enjoyed working for him in Dallas. He told me he was a little self conscious about being my boss since I had been there longer than him. Very sweet mam.

“ I will always remember Jim, as a gentle giant, who would take the heat if he could make another' life better. he seemed to always be ready to do more as he spoke less. he was a fleet manager, later a terminal manager for jb hunt, where I met as well as worked with him. he was then and in my heart still remains one of the best I worked with while I was there. my prayers are with you and family. I have not seem Jim since ninety nine, but I never forgot him nor will I even after his demise. may God be with you, and may Jim rest until the first trumpet sound. Jim was more of a father to workers than a boss, for he showed concern for all, even when he did not have to even get involved. my deepest regard. Sylvester VanBuren II
