“ *We all lived on West Rock Street for a long time in a house once occupied by Jill Rall. I lived to the West of the Smith's. Jamie Gaston's house was in the middle and the school was across the street. The Smiths were a talented family of music. Toby was born playing the piano - truly she bore a gift from God of music and I believe the other family members were vocalist. The fact that you had two parents, brothers and sisers, and other relatives. was so admirable*

“ *Jo Etta was my classmate and very good friend when I needed one in 9th and 10th grades. She understood my shyness and helped me with some difficult situations. I will truly miss her. Gone too soon.*
