“ *My shock at hearing this news. I have been a friend of Joan's since grade school. We share many adventures and her family was always wonderful to me. We went to the same church until after graduating from school. My heart is sadden and my prayer for all her family and friends.-Alice (King) and Kurt Kutz and family*

“Joan or Joaner as I always called her, was always a true friend to me. I could write a book about all the things we did together. Even though I moved far away, we stayed in touch and had many fun phone conversations Just like we did when we only lived a few blocks apart. Joan walked the floor with me late into the night when my youngest son was sick, and accompanied me to the ER with him several times. She was always a listening ear, and offered hugs when I needed them. I'm so grateful to have had her in my life, I don't know how I would have made it at times without her friendship. Hugs and love to you Rita, thank you for being her sister and looking after her these past few years. We will see her again!
