“ *Everyone knows there's too many memories to put on paper, but the one I'm most fond of is that no matter how many times us kids would get into scuffles and fights mom would tell us to stop acting like a bunch of idiots, and that she loved us even though we didn't know how to act right. I'm sorry I wasn't there to celebrate her life with the family but I'm sure she knew I was there in spirit. I send my deepest condolences to the family.*

*Gene, Jimmy, Pam, Jerry, Jeff, Tammy and Ant. I love you all and if ever you need me for anything my #'s 501-652-0596. To all the grands and great-grands, grandmas got Jesus rubbing her feet now, your jobs are done. I love you all!*

*Sincerely, lifelong family friend, Jo Jo Philley.*
