“ Sad to learn this morning that my old friend and long time State Employee here at DOMS, John Adams has passed away. John was a proud former Marine and Vietnam War door gunner. After leaving the Corps John joined the Arkansas National Guard and served many years as the Readiness NCO for the 239th Intelligence Company, 39th IBCT at Perryville. After retiring from military service, John became a state employee here at the Director of Military Support, responsible for getting Soldiers and Airmen paid and fed while on State Active Duty. John could be counted to always have something curmudgeonly, funny and direct to say, like the good Marine NCO that he was, but he always put the care of Soldiers above all else. Semper Fi!
